

ATTENTION K-12 TEACHERS!!!
Your Students are Invited to Enter the
2012 Greening of Detroit Green Film Contest

The Greening of Detroit invites students to celebrate the environment by competing in a Green Film Contest! The Greening of Detroit will select the best films to screen at the Greening the "D" Education Celebration on March 29, 2012.

Who? Any student, group of students or classrooms from Kindergarten through 12th grade in Detroit, Highland Park and Hamtramck is eligible to participate.

What? Show us how your school is going green!!! This is an opportunity to showcase some of the great "green" projects going on at your school. We want you to produce a short film (no longer than 5 minutes) that celebrates the environment; gardens, trees, school recycling programs and more! Your film can be in the style of your choosing, including but not limited to: a documentary, animation, commercial, PSA, Talk Show, infomercial, etc. Topics may include but are not limited to: lessons in the outdoors, gardening, school recycling program, etc. For ideas and inspiration, check out <http://www.mediathatmattersfest.org/environment/>

Be creative and show us your great work!

The film must be original and on a DVD. Attach entry form (below) with a rubber band to the DVD. There is no limit to the number of entries from each teacher or school.

Where? The winners of the Greening of Detroit Green Film Contest will be honored and presented their awards on Thursday, March 29, 2012 as part of the Greening the "D" Education Celebration.

When? Entry forms and **original** films must be received by **Feb 8, 2012**.
